LP-SMX Surface Mount Male Screw Fix – 15kg

INDUSTRY FIT:    

SPECIFICATIONS:

LOW PROFILE LP RANGE

The LP-SMX clip adds an extra heavy-duty option to the Low Profile Range. With a 15kg pull out load, the clip is designed for use with heavyweight panels, and is compatible with the LP-F8, and LP-AF8A. The surface mount clip installs easily with 3 x countersink #6 screws, removing the need for special tools for installation. Ideal for large and heavyweight panels with limited panel depth. NOTE: Should not be used with LP-DF8 installing into drywall substrate, due to strength of the clip.
